MEMORANDUM FOR:
Office of Soviet Analysis

FROM: Director of Central Intelligence

SUBJECT: Kudo

I just read your intelligence assessment on Soviet views on arms control verification. It is an excellent paper and a timely aid to our negotiating team. tells me it will be one of our best sellers.

This note is FYI.

Attached is a copy of a terrific report done by a really good analyst [redacted] in SOVA. This paper was undertaken months ago in response to a request by ACDA Director Adelman. SOVA sent him a copy. We have provided copies to the appropriate Interdepartmental Groups.

I have long believed that this report will be one of our best sellers.
